Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicants have submitted an IDS after final as Paper number 10 (received July 17, 2002), which does not meet the requirements listed in MPEP 609 B(3). Accordingly, the IDS will not be considered. Furthermore, the amendments submitted after final as Paper number 9 (received July 17, 2002) will be entered. These amendments about the rejections set forth in the final rejection office action and place the application in condition for allowance pending an interference search and a complete review of the file.
